Photos from Teaching Sessions

“Photo Shots of Students learning System Dynamics using HP Tablet PCs”

The teaching-learning dynamics utilized three formats. These formats are:

1. Individual exercises given to each student
2. Faculty led exercise using group modeling technique (Microsoft Journal and Microsoft Meeting Space)
3. Student group exercise using group modeling technique (Microsoft Journal and Microsoft Meeting Space)

Format 1: “Students working on individual cases using their tablet PC
Format 2: “Faculty led discussion using Windows Journal and Meeting Space”
Format 3: “Student Group discussion exercise using Microsoft Journal and Meeting space”
